## 2018 Total Apportionment Payout

In an effort to improve financial transparency, the *Contact* will begin to publish both Apportionment giving and Mission and Ministry—formerly known as Connectional Giving—giving by church each quarter starting in April. The data will come from the Council on Finance and Administration and the total for each church will be published as a percentage.

Below is the total apportionment payout amount for each church for 2018. Churches are sorted by district and listed alphabetically by city, then by church name. District names are highlighted in blue for readability. Payout percentages are accurate as of Friday, Jan. 25.
